

Presenting the:

### **Hugh C. Cosner - Estate Auction Series:**

Hugh was an avid estate sale and auction goer, and (enthusiastic, insatiable, voracious) buyer and collector of all things great and small, from the extraordinary to the ordinary and everything in between. The Cosner family have now decided to share his lifelong passion for collecting with the entire community through one of his favorite activities - **AUCTIONS!**

### **Hugh C. Cosner - The Back Story:**

Hugh C. Cosner, 88, of Spotsylvania County passed away on August 18, 2020. Always an active member of the community, he served on the Spotsylvania County Planning Commission for approximately four years and was elected to the Spotsylvania Board of Supervisors in 1967, representing Lee Hill District until 1990.

In 1971 he and a partner opened their first franchised Pizza Hut in Fredericksburg and he was the operating partner for 43 years, of what became a chain of seven Virginia stores.

He was the previous owner of a number of commercial properties which have figured prominently in the County's commercial, industrial, and medical growth.

Mr Cosner was clearly a very interesting, unique, and special individual. His family is bringing the **Hugh C. Cosner - Estate Auction Series** to you as a remembrance of his passion for collecting. You are now welcome to participate in this and all the auctions coming to you in this series.
